2. OBJECTIVE OF THE POLICY

The Solar Environmental Policy provides high-level guidance on how the business can contribute to a more sustainable world with the least possible environmental footprint. We constantly work to reduce our CO₂ emissions and as a Sourcing & Services company, we have no energy-consuming production processes.

3. POLICY

It is Solar Group's policy to comply with all applicable laws and regulations of the countries and regions in which we operate to cause the least possible harm to the environment.

Solar runs a responsible business that relies on our expertise in bringing products and solutions to the market. Solar is contributing to a more sustainable world by placing demands on our suppliers and continuously seeking solutions for a more environmentally friendly performance of our operations and bring down our environmental footprint.

Solar has defined the following environmental focus areas:

- Reduce the CO₂ emission of our operations.
- Reduce the generation of waste.
- Improve our processes and prevent pollution.
- Increase our share of green energy consumption.

- Improve and provide digital services that turn our customers into winners and put less strain on the environment.
- Provide training, and develop employees with competencies within environment and sustainability.

Solar will maintain the focus on energy-efficient solutions, innovation, and continuous improvement to meet new environmental challenges and provide best-in-class services to ensure sustainable use of resources. We will also continue to focus on our environmental footprint for the benefit of our customers, our shareholders, and employees.

We call it **Green Together**.

4. DEVIATIONS TO THE POLICY

No deviations from this policy are allowed.

5. DIVISION OF RESPONSIBILITIES

In Solar, the quality management processes are headed by the Commercial Market & Sourcing management team, securing involvement and focus on customer satisfaction. Solar Group Management plays a vital role as an overall committee as regards strategic initiatives and overall priorities.

This policy will be reviewed yearly, and changes to the policy must be approved by the SVP Commercial Market & Sourcing.
